

In Memory of NYPD Sgt Michael Ryan

Victim of Aftermath of 911

Renaming of Kings Highway in Hauppauge

**Katherine Klahn
Deputy Public Information Officer
Islip Town**

Please join me, Suffolk County Legislator John Kennedy and the Ryan family in remembering Sgt. Michael W. Ryan with the symbolic naming of Kings Highway in Hauppauge in his name.

A ceremony was held in front of the HYO Complex, Kings Highway, Hauppauge on Tuesday, September 1st .

Michael passed away from Non-Hodgkin's Lymphoma because of his brave work at the World Trade Center in the weeks after 9/11. Before becoming sick, Michael enjoyed his work as a New York City Police Officer, and especially enjoyed his role as Vice President of Hauppauge Football at the HYO Complex, which is why the Town-owned streets in front of the complex will be symbolically dedicated to his memory.

To reach the complex, you get off at Long Island Expressway exit 56N (Rte 111 - Wheeler Rd).

**Go North on 111 for approximately 1/4 mile to Kings Highway.
Make a left on to Kings Highway and go about 300 feet to the field on your right.**

(This is near the same general area of the Hauppauge Court complex and motor vehicle.)
